Alongside Road

Two 14-year-old girls were struck from behind by a car and killed last night as they pushed their bicycles alongside Arroyo Road in Livermore.

The two, both freshmen at Livermore High School, were dead on arrival at Valley Memorial Hospital.

Highway Patrolmen said Susan Marie Ashworth, of 3844 Stanford Way, and Sheran Lee Neuenschwander, of 3832 Stanford Way, both Livermore, were pushing their bikes north on Arroyo near Marina St. when they were struck by a car driven by Gregory R. Hall 17, of 1285 Lillian Ave., Livermore.

Hall told officers he veered off the road onto the shoulder where the girls were walking to avoid hitting an oncoming car.

Susan was the daughter of Mr. and Mrs. Robert W. Ashworth, and Sheran the daughter of Mr. and Mrs. W. Charles Neuenschwander. Both fathers are employed by the University of California's Lawrence Radiation Laboratory in Livermore, patrolmen said.
